KL university, Vijayawada, Andhra Pradesh - 520002, India

OBJECTIVE

A dedicated third-year Computer Science student at KL University with a strong foundation in programming, data structures, and problem-solving. Passionate about software development and web technologies. Eager to apply analytical and technical skills to real-world projects. Seeking opportunities to learn, innovate, and contribute effectively to a dynamic team.

EDUCATION

- **KL University** June 2022 - May 2026
B.tech - CSE Vijayawada, AP
- **Sri Sai Ram Jr Collage** April 2022
Intermediate Ongole, AP
- **Sri Sai High School** March 2020
Secondary Education Ulavapadu, AP

PROJECTS

• HOSPITAL MANAGEMENT SYSTEM

Tools: [Java, MySQL]

- Designed a Hospital Management System using Java with MySQL as the backend.
- Implemented CRUD operations for managing patient records, doctor details, and appointments.
- Developed a structured database in MySQL for efficient data storage and retrieval.

• TOURS AND TRAVEL BOOKING MANAGEMENT SYSTEM

Tools: [MERN Stack, MongoDB]

- Designed a full-stack web application for managing tribal handicrafts using the MERN stack and MongoDB.
- Implemented CRUD operations for product listings, orders, and user management.
- Developed a basic front-end interface, with plans for further UI enhancements.
- Built a secure backend to handle data storage and retrieval.

TECHNICAL INTERNSHIPS

• AICTE - Networking Virtual Internship

Sep-Nov 2023

Certificate ID: 0d5de85bd1f415a7ab1a885465d7e90c

- Gained practical exposure to various software packages, enhancing technical skills.
- Analyzed requirements and problems to devise effective solutions.
- Collaborated with a remote team to execute project tasks within deadlines.
- Applied learned techniques to real-world scenarios, improving problem-solving skills.

SKILLS

- **Programming Languages:** C Language, Java
- **Web Technologies:** HTML
- **Database Systems:** DBMS, SQL
- **Cloud Technologies:** AWS Cloud
- **Other Tools & Technologies:** cisco Packet Tracer

CERTIFICATIONS

- **AWS Cloud Practitioner** Apr 2024
- **AI Associate Salesforce certificate** July 2024
- **Oracle Generative AI cloud Infrastructure** Jul 2024
- **Red Hat EX-183** Sep 2024

LANGUAGES

- [English](#)
- [Telugu](#)
- [Hindi](#)

INTRESTS

- **Learning New Technologies:** I am very keen to learn the new technologies in the market, problem solving skills and web development skills
- **Browsing Social Media:** I casually likes to go through Social Media and spend my free time. I find myself relaxed while using Social Media.
